For more information on ACNM class registration, visit the ACNM website at aconm@.org.

Please note that all classes in “italics” are ACNM sponsored classes and may not be intended or necessary for all NMDOT personnel.

Please be aware that the fourth column of this schedule shows “Spots Available” and that represents the number of seats that are available for that class on the date of this schedule. Seats may continue to fill up and some classes may be FULL before the next updated TTCP Schedule is sent out.

TTCP Lab phone: 344-2072 (Ext. 18) Fax: 344-1554 Ask for *Eloyda* (Ext. 10) to schedule classes.
All department personnel shall schedule through their district TTCP Training Liaison.

Remember your OJT documentation when you come to TTCP for certification. Department personnel – please contact your Training Liaison and provide the proper documentation of OJT or the anticipated OJT by the time of Certification.

NOTE: For participation in the **Nuclear Densometer Training**, you must bring your personal monitoring badge provided by your employer or District representative.

NOTE: For participation in the **Nuclear Densometer Certification**, you must bring your personal monitoring badge and a copy of your Radiological Safety Training certificate with you.

+ - Indicates that the class is full and a *waiting list* has been established for those that will be contacted (through their Training Liaison) if a scheduled participant drops out of the class.
